Perfect For  
Outdoor Bars

*"When people see guests dining outside, it gives an energy to the place and reminds people of the hospitality they too, can expect when they walk in our doors."*

Rooftop  
Dining

- ✓ Custom Configurations
- ✓ Water Tight When Closed
- ✓ Completely Opens And Closes With A Simple Remote For Complete Sun Or Shade
- ✓ Can Be Slightly Opened For Ventilation

Before

Consider the following:

- ✓ Patrons will linger longer to enjoy the environment and surroundings
- ✓ Draw positive attention to your restaurant
- ✓ Increase the number of people you can seat at any given time
- ✓ Clumsy umbrellas are a safety hazard and will not work in wind or rain
- ✓ Tents are a maintenance nightmare
